Delivering Digital Outcomes & Modernizing IT Infrastructure

THE BARRAGE OF TECHNOLOGY IS OVERWHELMING. TO THRIVE IN OUR NEW DIGITAL WORLD, ORGANIZATIONS MUST VIEW IT AS A STRATEGIC WEAPON. UNFORTUNATELY, WITH SO MUCH TECHNOLOGY COMING AT THEM, IT OFTEN GETS STUCK EVALUATING ONE-OFF TECHNOLOGY PRODUCTS. CRITICAL TO SUCCESS IS ARMING IT WITH A PROCESS TO DIGEST, EVALUATE AND IMPLEMENT THE ONSLAUGHT OF NEW TECHNOLOGY. ONLY THEN CAN NEXT-GENERATION IT FOCUS ON BUILDING DIFFERENTIATED OFFERINGS THAT GROW THE BUSINESS.

The WWT Advanced Technology Center (ATC) empowers IT and the business. The ATC is a collection of physical labs, virtualized to create a collaborative ecosystem to design, build, educate, and deploy innovative technology products and integrated architectural solutions and transformational digital business outcomes for our customers, partners, employees and communities around the globe.

WWT's digital platform encompasses the ATC ecosystem. This ecosystem creates a multiplier effect of knowledge, speed and agility — anytime, anywhere, for organizations around the world. Get access to articles, case studies, hands-on labs and other tools that make the difference in today's fast-paced world. IT practitioners, decision-makers and business leaders can leverage the ATC anytime through a virtual software innovation platform.

Member Benefits

When you sign up for a free account, you will gain access to a tremendous set of resources built to help you develop and deliver innovative technology solutions. With WWT's digital platform, you can leverage state-of-the-art technologies to schedule digital labs and workshops, design proofs of concept and compare product feature sets.

Labs
Get hands-on experience with industry-leading technology right from your web browser.

Workshops
Compare and contrast approaches to help you make the right technology decisions.

Video Playlists
Explore specific features with video walkthroughs and documentation.

Case Studies
Learn from our real-world experiences, research and customers.

Training
Work with our team of industry experts to get up to speed on a specific technology.

As a CTO, I can honestly say this is one of my go-to platforms to evaluate advanced technologies.

CHIEF TECHNOLOGY OFFICER, U.S. MILITARY

Hands down one of the best, if not the best, environment available to test potential solutions.

CHIEF TECHNOLOGY OFFICER, U.S. MILITARY
