**Up to 2x faster file sharing** between Galaxy devices\*

\*Wi-Fi 6E network availability may vary depending on the country, network provider and user environment. Requires optimal connection. Actual speed may vary depending on country, carrier or user environment.

# 6 Reasons built for business

SAMSUNG

## 1. Productive Display

## 2. The Magic S Pen

## 3. Workplace Integration

## 4. Samsung DeX

## 5. Business Readiness

## 6. Galaxy Ecosystem

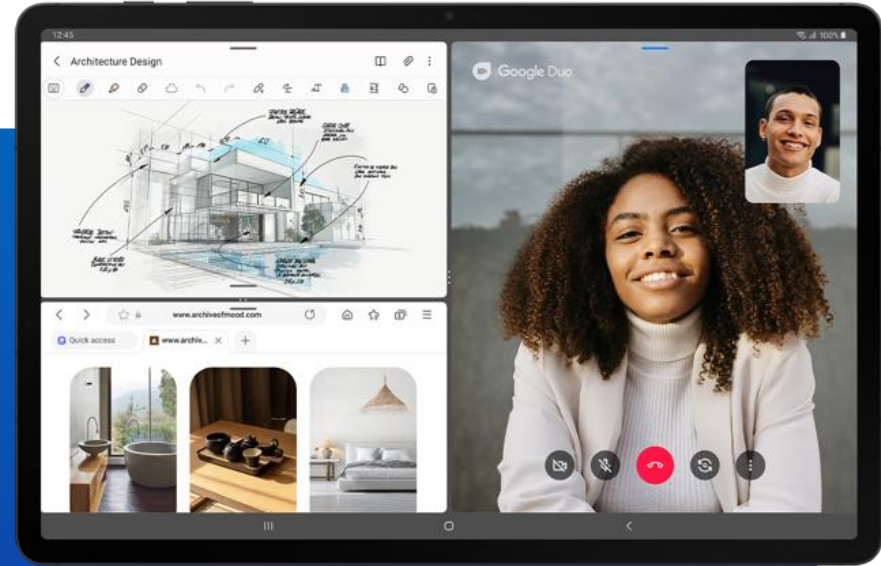

## Productive Display

### A display that will blow you away

Look like a pro in front of your customers with crisp content on a large super AMOLED screen that features high resolution, dazzling color and brilliance.

### Productivity never looked so good

Discover new ways to boost productivity with an ultra-dynamic, multi-window display that puts everything you need on one screen.\*

\*Certain applications may not support multi-tasking.

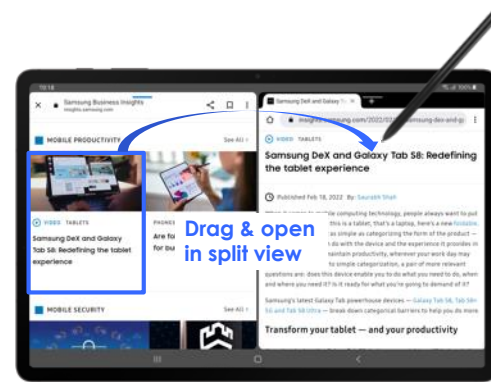

# Most powerful multitasking: Multi-Active Window

SAMSUNG

## More diverse and flexible layouts

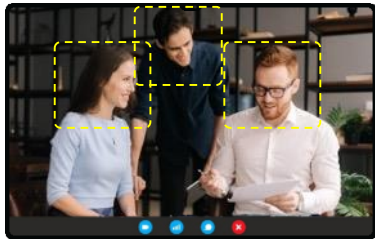

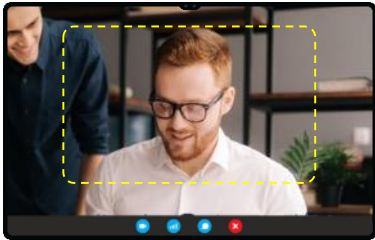

## Check details with Drag & Split

Get things done much faster with **diverse multi-window layouts** and **Drag & Split**

## Auto Framing

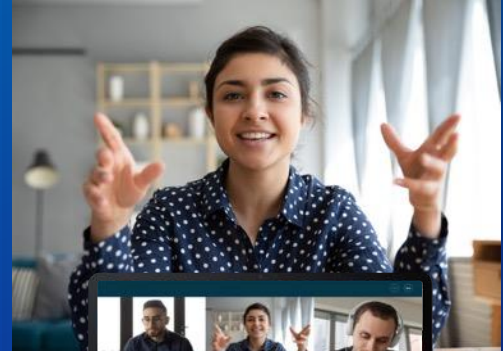

Auto zoom in to keep focusing on the speaker. Auto zoom out when other team members enter

## Ultra wide camera

Wider field of view to capture the whole team.

## Noise canceling mics

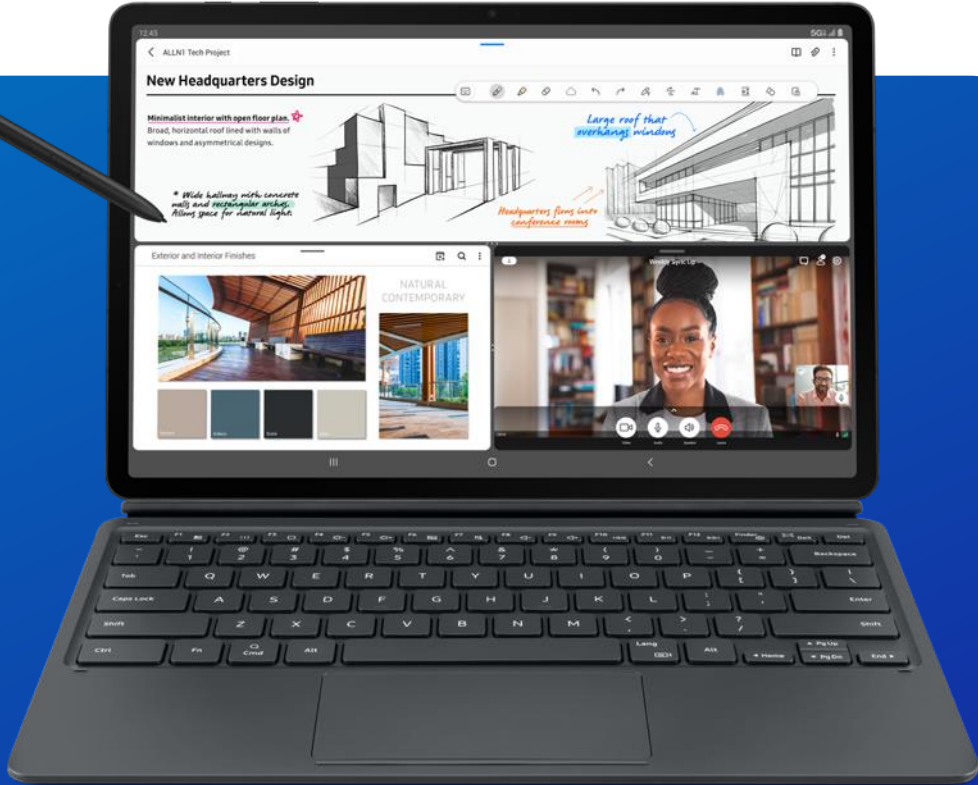

3-way microphone with noise canceling.

## The magic S Pen

It's easier than ever before  
to write, annotate, and interact  
with our S Pen

Closer to a real pen than  
ever before

50% more responsive than  
before when using the S Pen

Book Cover Keyboard sold separately.

# Create, annotate, and collaborate with S Pen

SAMSUNG

## Create

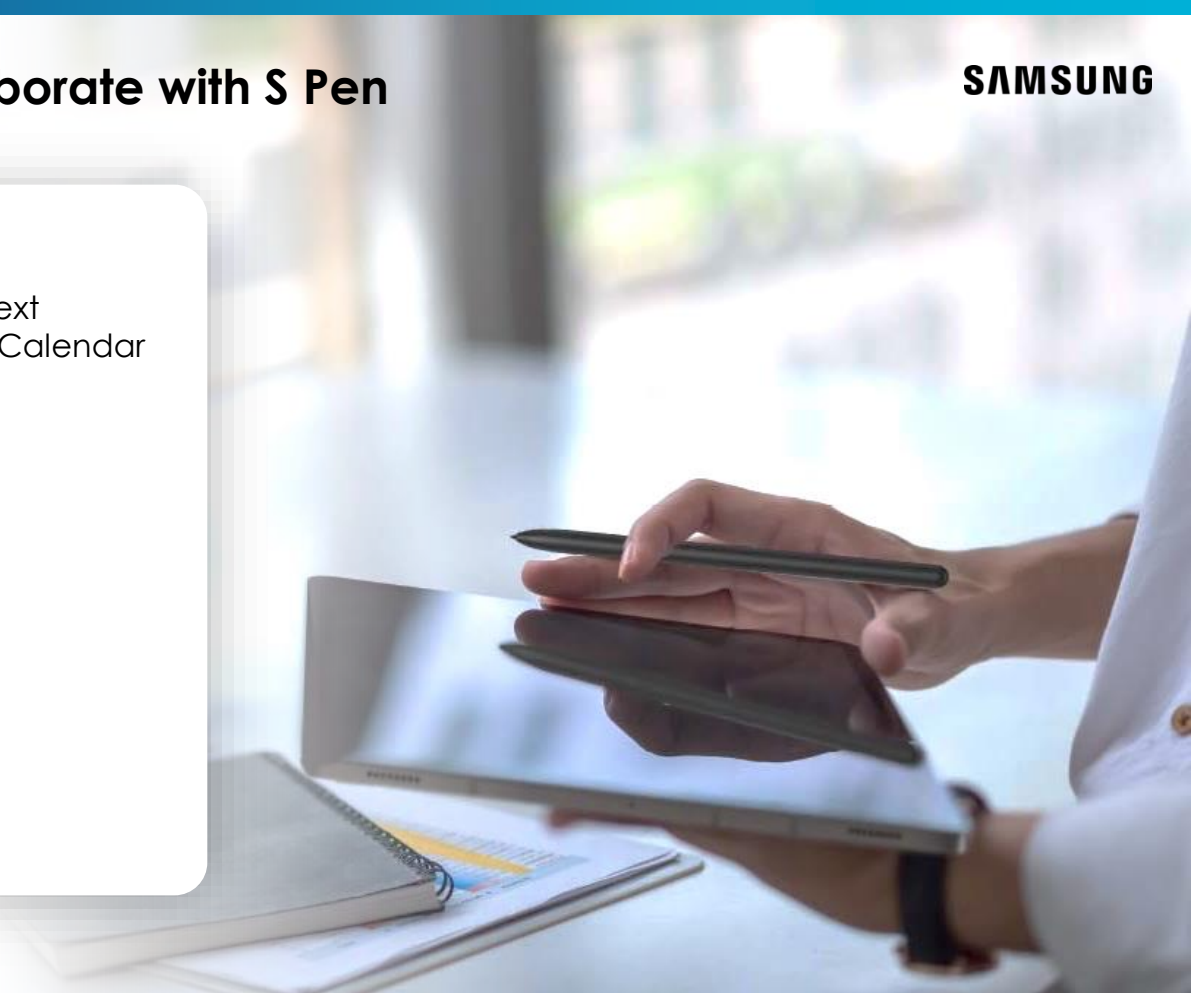

- Screen Write
- Convert Your Handwriting to Digital Text
- Sync events and reminders to Notes, Calendar
- Translate text
- Control your camera to shoot video

## Annotate

- Annotate PDFs
- Write screen-off memos
- Edit photos video
- Smart Select and share content

## Collaborate

- Run meetings
- Advance slides in PowerPoint
- Coordinate scheduling, share content

## Choose the work tools that fit your business needs

Integrate the Tab S8 series with your choice of business solutions. Giving you and your team a tool to get anything done, all-in-one place.

Google Workspace

Microsoft 365

## Reason 4 | Unleash 2-in-1 functionality with a keyboard and DeX

SAMSUNG

Galaxy Tab S8+ helps you do more with the 2-in-1 capabilities of a tablet and a PC

Samsung DeX creates a desktop experience right there on your tablet, mirroring the display and navigation on a laptop to let you work on multiple windows

### DeX Mirroring

#### Mirrored DeX mode

#### DeX mode

Share screens with HDMI cabling

### DeX Standalone Mode

Master multitasking with Standalone DeX Mode  
Open up to 20 different windows

# Desktop experience everywhere with DeX

SAMSUNG

Samsung DeX transforms your apps from mobile apps to desktop apps

Access your existing data, either on the device or from cloud-based apps and services, for seamless productivity

Connect via USB-C, HDMI adapter or wirelessly

With Wireless DeX on the Tab S8 series, cast your screen to run your next client meeting while having presenter notes shown only on your Tab in hand

# DeX Mode enabled apps

**SAMSUNG**

Most apps can run in DeX mode, and more than 70 of the leading apps are optimized for Samsung DeX, including leading Office suites, video conferencing and VDI (virtual desktop) clients

## Office suites

OfficeSuite

Hancom Office

Polaris Office

WIPS Office

## Virtual / remote desktop environments

Citrix Workspace

VMware Horizon Client

Parallels Client

Parallels Access

MS Remote Desktop

Team Viewer

amazon

Amazon WorkSpaces

## Video conferencing

Zoom Cloud Meetings

Cisco WebEX

Bluejeans for Android

GoToMeeting

Skype

## Business apps

Gmail

OneNote

Google Drive

Microsoft Outlook

BlackBerry Work

VMware Boxer

Citrix Secure Web

Citrix Secure Mail

Acrobat Reader

VMware Workspace ONE

Behance

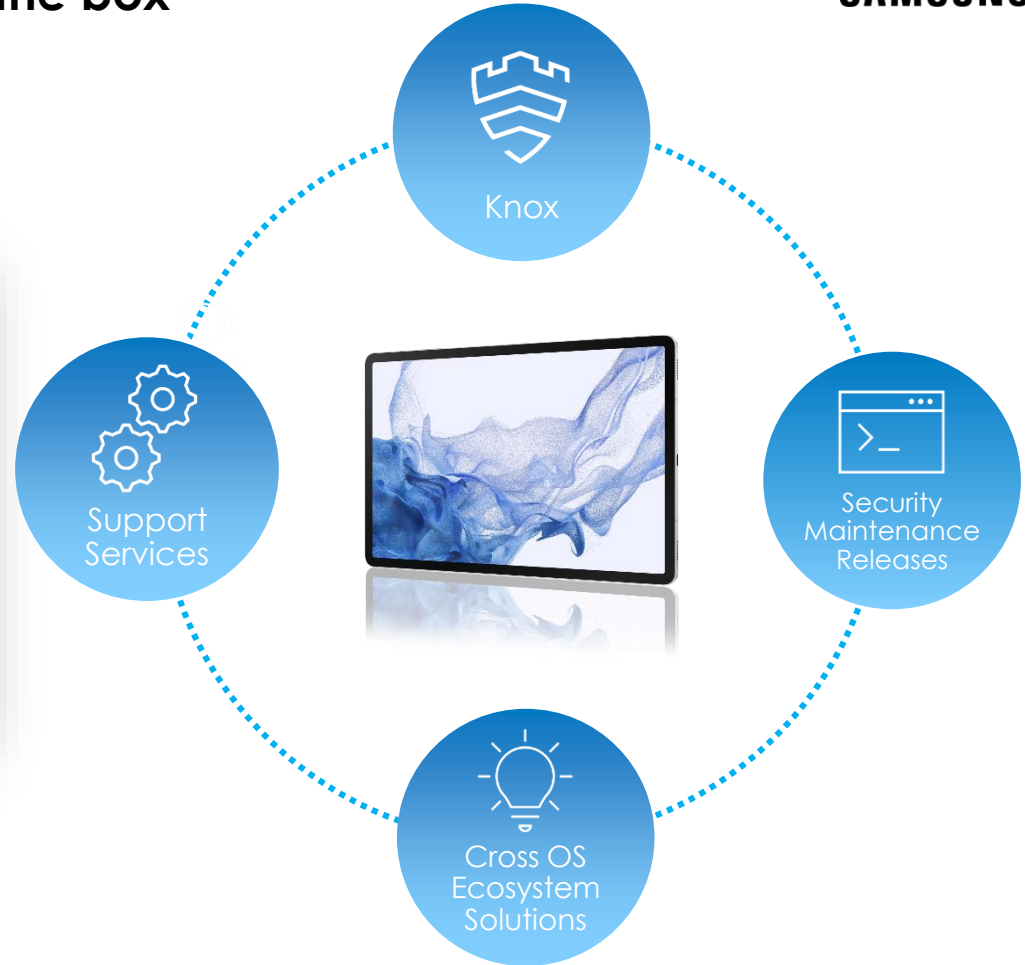

Adobe Photoshop Express

## Reason 5 | Business Ready out of the box

SAMSUNG

The Tab S8 Series is business ready out of the box equipped with the tools and features to elevate your business needs

## Feature

### SMR

Quarterly Security Maintenance Releases

## What it means

- ✓ 2-year product life cycle
- ✓ 4 years' security maintenance releases
- ✓ 3 Major OS updates

android  
enterprise  
recommended

## Business-ready out of the box

Secure, deploy, and manage all business devices for a large or distributed workforce.

# Knox Security, defense-grade security from chip to app

SAMSUNG

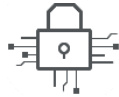

The Galaxy Tab S8+ is protected by Knox, a defense-grade security platform built in from the chip up, for superior protection that's easier to manage. No matter where your team goes or what they do, Knox keeps hackers out and your company's data secure\*

Multilayered security

Real-time protection

Hardware-based encryption

Worldwide certification

\*For the full list of Knox certifications, please visit [samsungknox.com](https://samsungknox.com).

# Knox Suite: Secure. Deploy. Manage.

SAMSUNG

**Knox Suite makes it easier for IT admins to use Knox IT solutions.**

**All-in-one Knox B2B package**

for “secure/deploy/manage”

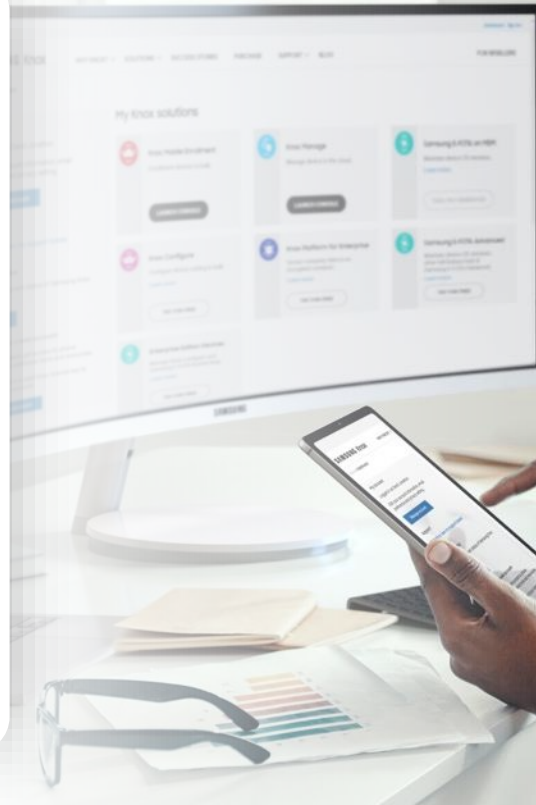

**Unified customer onboarding UX**

removing the hassle of separately signing up for individual services

**Seamless IT admin UX**

between different Knox consoles

1. For the full list of Knox certifications, please visit [www.samsung.com/knox](http://www.samsung.com/knox)

# Business-ready: Trusted platform

		Knox Suite	Knox Platform for Enterprise (via KSP)	Knox Mobile Enrollment	Knox Manage	Knox E-FOTA
SECURE	End-to-end device security		Samsung devices. <b>Secured by Knox.</b> 			
	Advanced and ever-evolving security					
	Samsung's security governance					
DEPLOY	Automated device provisioning	●		●		●
	Mandatory EMM enrollment and configuration	●		●		
	Fit for purpose with ease	●	● <sup>2</sup>		●	
MANAGE	Wide range of IT policies and devices	● <sup>1</sup>	● <sup>2</sup>		● <sup>1</sup>	
	Complete OS update management	●				●
	Available through various partner solutions	●	●	●		●

1. Knox Manage/Knox Suite support cross-platform: Android, iOS, Windows 10. (But, Android Legacy enrollment mode is not available in Knox Suite.)

2. Available with EMM, Samsung Knox device only.

# Reason 6 | The Galaxy Ecosystem

SAMSUNG

They work together so you can work smarter

android  
Messages

# Galaxy continuity experience for Galaxy Tab S8+

SAMSUNG

## Buds Auto Switch

Easy and fast switch across multiple devices

## Second Screen

Expand tablet as your second monitor

## Quick Share

File share across phone-tablet-PC

# Second screen

SAMSUNG

Extend your Windows PC desktop to a second screen

Galaxy Tab can double as a touch enabled 2<sup>nd</sup> screen for your Windows PC

## Galaxy Tab as a 2<sup>nd</sup> screen for Windows PC

Extension mode

Duplicated mode

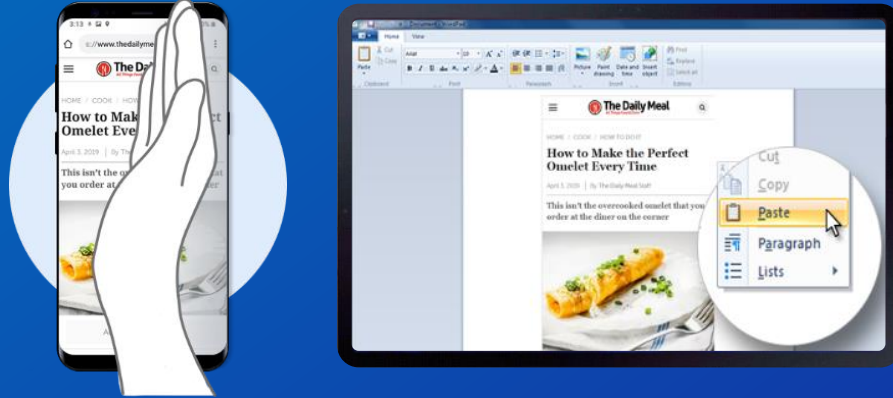

# Continue apps on other devices (Copy & Paste)

SAMSUNG

Simply copy & paste texts and images on one device and paste it on the other

Long press to copy on one device and paste it on the other. It's simple, easy and effortless.

## Copy & Paste to and from Galaxy Tab & Smartphone

Turn on **Settings > Advanced Features > Continue apps on other devices**  
(image or captured image, text)

# Call and text on other devices

SAMSUNG

With Galaxy Tab, there is no need to worry about missing a call or a text

Even if your Galaxy Smartphone is not nearby, you can take a call or reply to a text from your Galaxy Tab

## Call and text from Galaxy Tab

Turn on **Settings** > **Advanced Features** > Call and text on other devices

**Update:** Now available on selected AT&T and T-Mobile Galaxy Smartphones & Tablets

# 6 Reasons built for business

SAMSUNG
