

Alliant Credit Union membership is a new benefit for WWT employees that provides real tools and benefits to help you achieve your financial aspirations.

World Wide Technology employees are now eligible to become members of Alliant, 100% online credit union with more than 750,000 members nationwide and offers exclusive, tangible solutions designed to help you flourish.

Long term financial success isn't just about what you *earn*...

...it's about how much you *save*.

**Embark on a journey** to financial health.

**Grow your nest egg** one day at a time.

**Align your finances** with your values and goals.

## Additional benefits of Alliant membership include:

- Exclusive access to checking and savings products
- Competitive rates for mortgage, auto and personal loans
- Access to webinars, expert Q&A sessions and exclusive tips and tricks for investing in your future

Take the next step to financial prosperity.
