

Why Home Delivery

Five reasons why Express Scripts® Pharmacy may be right for you

Have Consistency

You take a long-term medication where a 90-day fill makes sense, and see taking this medication for the foreseeable future.

Desire Convenience

You like getting medications delivered right to your door, eliminating trips to the pharmacy and waiting in line.

Like Ease of Use

You want managing prescriptions to be simple, including helpful digital tools, automatic refills that come when you need them and a pharmacy that works with your doctor to get any needed prescription renewals.

Value Access

You want the ability to have an unrushed conversation from the privacy of your own home with a pharmacist any time day or night, with no voicemail or callbacks.

Want Personalized Care

You find value in being automatically matched with pharmacists who focus on your medical condition, giving you an additional health care professional on your side to help manage your health.

With Express Scripts® Pharmacy, you get all of these advantages and more. Plus you could **save up to 33%** on prescriptions as compared to retail.¹
