The Information Technology Enterprise Solutions – 3 Hardware (ITES-3H) is a five-year, \$5B Indefinite Delivery/Indefinite Quantity (IDIQ) contract vehicle, designed as the primary source for commercial servers, workstations, laptops, networking equipment and other IT products for the U.S. Army and other federal agencies.

AN ARRAY OF IT SOLUTIONS

Under the contract (#W52P1J-16-D-0016), WWT will offer the U.S. Army and other federal agencies an array of IT solutions and services designed to help them achieve their enterprise infrastructure mission, including UNIX based servers, Non-UNIX based servers, desktops, notebooks, workstations, thin clients, storage systems, networking equipment, network printers, video teleconferencing (VTC) products, Everything over Internet Protocol (EoIP) products, power devices and related software.

In addition to products, WWT will also provide services related to the purchase of equipment, such as site surveys, system configuration and integration solutions, system migrations, image loading, data migration, extended equipment warranty and installation. The solution may also include services related to the purchase of equipment, including site surveys, system configuration/integration solutions, system migrations, image loading, data migration, extended equipment warranty and installation.

PURCHASING SERVICES AND EQUIPMENT

The Army, Department of Defense and all other federal agencies are eligible to purchase equipment and services through ITES-3H with no contract fees. Products procured through this acquisition vehicle are required to comply with DoD and Army standards.

LEADING TECHNOLOGY AND EXPERTISE

World Wide Technology (WWT) has a long history of supporting the federal government as an award-winning technology integrator and is proud to include ITES-3H in its well-established list of purchasing vehicles. WWT offers our technical expertise, advanced technology solutions, strategic partnerships, supply chain capabilities and Advanced Technology Center to help you meet your mission-critical objectives.
