

Why home delivery

Five reasons why Express Scripts Pharmacy by Evernorth® may be right for you

Consistency

You take a long-term maintenance medication when getting a 3-month supply makes it easier to stay on track with your health.

Convenience

You like getting medications delivered right to your home, avoiding trips to the pharmacy and waiting in line.

Ease of use

You want managing prescriptions to be simple, including helpful digital tools, automatic refills that come when you need them, and a pharmacy that works with your doctor to get any needed prescription renewals.

Access

You want the ability to have an unrushed conversation from the privacy of your own home with a pharmacist any time day or night, with no voicemail or callbacks.

Personalized care

You could be automatically matched with pharmacists who focus on your medical condition, giving you an additional health care professional on your side to help manage your health.
